

Monday Transposition Lesson

Name: _____

(Clarinet (B Flat))

Concert G \flat with scale degrees

Concert B \flat with scale degrees

Any melody can be played in any key. Some keys are obviously easier than others to play in. The key is translating from one scale degree to another. First, we'll take a melody from the key of concert G \flat to concert B \flat . 1 will translate to 1, 2 to 2...

We'll be taking the melody below and translating it from G \flat into B \flat

Melody in G \flat

Now write out the melody in B \flat yourself
