

Musical Road Map

Fine – The ending, after you have received the "al Fine" instruction.

Coda – A separate section that usually contains the ending. You will first receive the "al Coda" instruction, and then either a "to Coda" or \oplus symbol, after which you will jump directly to the Coda section.

D.C. – stands for De Capo (go to beginning). Always accompanied by another instruction

D.S. – stands for Del Signo (go to the sign $\%$). Always accompanied by another instruction.

al Coda or al Fine are the instructions that accompany.

A repeat bar sends you back to the beginning, unless there is a forward repeat bar at some point.

If a D.C. or a D.S. sends you *back* through a section that contains repeat bars, you skip any repeats or take second endings.
